馬中之星

Outstanding Writing Award
the 3rd One Health COVID19 Writing Competition
City University of Hong Kong

4C SAGHIR ALIBA

I feel that after accomplishing this award, I have a sense of pride in myself and it is a huge achievement to be acknowledged for my work. It is a great honour to be recognized for my creativity and hard work, and I am very proud of myself for winning such a competitive award. I feel a sense of satisfaction in knowing that my work has been recognized and that my accomplishments are valued and appreciated. It makes me feel grateful for the opportunities I have been given, and it also makes me feel ready to continue pursuing my passions and goals and continuing to create and make an impact! After getting the award, I learned the importance of following through and sticking with my goals even when the going gets tough.

I feel proud and accomplished, and I feel grateful for the opportunity and recognition of my hard work. It is a great feeling to know that my accomplishments matter, and it motivates me to keep working hard and pushing myself to be the best I can be.

This award has taught me the importance of staying true to myself and my goals regardless of the barriers, and I know that it will continue to motivate me to reach new milestones and achieve my dreams! I am very proud to have won this award and it has motivated me to continue my hard work and accomplish even more in the future. I will keep striving to accomplish more awards and keep making my school and myself proud. I will keep setting big goals and working hard to achieve my dreams, and I will make sure to take advantage of every opportunity that comes my way. This award has taught me a lot and I know that I have grown and learned from it. It has helped me see the importance of never giving up and following through on your goals, and I am honoured to be recognized for my hard work and achievements.
