TWGHs 150th Anniversary
Free Medical Services Donation Scheme

Dear Friends,

**TWGHs 150th Anniversary
Free Medical Services Donation Scheme**

TWGHs has been serving the Hong Kong community for 150 years and upholding the tradition of provision of free medical services for all. Despite the soaring medical cost, TWGHs is striving hard to maintain the free medical services of around 900,000 visits every year.

Without the tireless contribution of our medical staff, we are unable to provide holistic free medical services and seamless care to the community in particular during the outbreak of epidemic. They have shown their professionalism by taking good care of all the patients, and serve as a solid shield to protect our society. Besides, the community support is also indispensable. Your donation would be vital to support TWGHs to provide timely and quality free medical services to the people in need, and at the same time, a gratitude and a tribute to our medical staff. We sincerely invite you to support the "Free Medical Services Donation Scheme" in order to help the sick and poor in Hong Kong.

All direct expenses of the fund-raising event have been sponsored by TWGHs Board of Directors and no administrative costs will be deducted from the donations of the general public to ensure all public donations will go directly to our services.
