

Tung Wah Group of Hospitals' (TWGHs) mission in education is to provide comprehensive, multifarious education services. TWGHs operates a tertiary education institute, 18 secondary schools, 14 primary schools, 18 kindergartens and 2 special schools with a total of over 27,000 students. The Group promotes the school motto "Diligence, Frugality, Loyalty and Faithfulness" as the guiding principle for personal and intellectual development of children and young people. Our schools strive to cultivate proper values and a positive outlook on life in the young generation and to encourage them to lead a full and meaningful life.

Apart from a professional teaching team, up-to-date education facilities and teaching equipment are indispensable for the delivery of comprehensive and quality education services. To keep pace with the continuous advancement of the mode of learning, renewal and up-grade of school facilities and equipment are necessary for effective learning of students. Even though our schools are operating mainly with government subsidies, your unfailing support and generous donation are most essential to ensure our students to receive quality education.

The Educational Equipment Donation Scheme aims to raise funds for our secondary schools, primary schools, kindergartens and special schools to acquire facilities outside the scope of basic educational equipment in aided schools. Your kind donation will help to provide a better environment conducive to both learning and teaching so that students can develop their full potential.

All direct expenses of fund-raising events have been sponsored by TWGHs Board of Directors and Title Sponsors of the events and no administrative costs will be deducted from the donations of the general public to ensure all public donations will go directly to our services. We look forward to your generous support.

(Ginny MAN)
