

TUNG WAH GROUP OF HOSPITALS 148th ANNIVERSARY SCHOLARSHIP

REGULATIONS

Name

Tung Wah Group of Hospitals 148th Anniversary Scholarship (hereafter referred to as Scholarship).

Aim

To award outstanding students of local secondary schools, upon Principals' nomination, who pursue Year 1 undergraduate programme in a local higher education institution.

Number of Awards

A maximum of fifteen scholarships will be awarded to students to subsidize their tuition fees, learning activities and living expenses.

Amount

Five recipients of the Scholarship shall each receive a lump sum of \$20,000 while another ten recipients shall each receive a lump sum of \$10,000. Meanwhile, they may continue to receive other scholarships at the same time and the scholarship will not decrease under such circumstances.

Criteria

Each local secondary school Principal may nominate 1 student of the school who attained level 5** in 2 or more subjects[#] in the 2018 Hong Kong Diploma of Secondary Education Examination and were admitted to a full-time registered undergraduate programme for the 2018-2019 academic year in a local higher education institution. Selected students should have outstanding academic performance, good character, devotion to community affairs, and active participation in extra-curricular activities and voluntary work. Priority will be given to students from families receiving the Comprehensive Social Security Assistance or receiving full-grant under the Student Financial Assistance Scheme, and to those who have experience of overcoming adversity.

[#] Mathematics Compulsory Part and Mathematics Extended Part are counted as one subject, and attaining level 5** in either part is acceptable for the requirement of having attained level 5** in the subject. However, attaining level 5** in both the Mathematics Compulsory Part and Mathematics Extended Part can only be counted as one subject.
